ABOUT ME

I am a freelance artist, working as a storyboard artist for various film and television projects. I am passionate about design and working with creative people. I am motivated to improve myself and my work and grow as an artist. The stories I held dear in my youth have shaped me into the artist I am today, and I inspire to create works which can do the same for a new generation

EDUCATION

NCEA Level 3 certified, formally trained at the Southern Institute of Technology Invercargill, graduating with Bachelor of Digital Media. Confident in my skills of character design and storyboarding. I am trained in all industry standard software, including Adobe Photoshop, Toon Boom Harmony, Storyboard Pro and Adobe Animate.

EMPLOYMENT

Currently I am working on a feature film, an adaptation of Oscar Wildes' "The Canterville Ghost", as a senior Storyboard and Animatic Artist at Toonz Limited. I was also the Storyboard and Animatic Artist for "Zoonicorns". Prior to that, from 2019 to 2020, I was creating storyboards and animatics for the television series Darwin and Newts Season 2. I work closely with clients to deliver high quality animated storyboards, from script to screen. From 2017 to 2019, I worked with Nyuk Nyuk studios to create storyboards and prop designs for CCTV's Panda and Kiwi. Later in that project, I was promoted to a director position. I was given the opportunity to help develop NyukNyuk Studio's IP; "Honk". I helped create Storyboards, assets, character designs and animation for the project. I also helped develop several other IPs that NyukNyuk Studios were developing including Game Projects. Additionally, I have worked on an episode of Kiddets Season 2 for Pukeko Pictures (2019). I also worked as an Animator for POW studios (2017) independent pitch; Silvers.
